Dual Degree in Pastoral Ministry  Bachelor of Arts/Master of Divinity

The dual B.A./M.Div. degree is a five year program designed for highly motivated men and women going into pastoral ministry. This streamlined program saves time and money for pastoral students, reducing the typical 7 years of coursework to 5 years. Through this program, students will gain knowledge of the Bible, biblical interpretation, Theology and Christian discipleship. They will also develop skills to be effective in ministry, such as teaching, preaching, counseling and leading. Much of this learning will be applied in embedded ministry internships which are required by the program. Students completing this program will be well prepared to serve effectively in pastoral ministry.

The dual B.A./M.Div. degree integrates and streamlines two existing programs. Overlapping credits are applied toward both the undergraduate degree and graduate degree. The two programs are the B.A. in Pastoral Ministry offered through the Christian Ministries Department and the M.Div. During the fifth year students complete the program as a cohort attending classes as per the College of Adult & Graduate Studies class schedule.

Students wishing to enroll must first be admitted to UNW and then apply for this dual degree program. Dedicated scholarship funds are available for this program for qualified students and are provided in addition to the UNW financial aid package.

The total program requires 163 credits (125 credits for B.A., 38 credits for M.Div.). Upon completion of all undergraduate requirements, the B.A. degree in Pastoral Ministry is awarded. This B.A. degree must be completed prior to enrollment in the M.Div. program. Upon completion of the remaining graduate requirements, the M.Div. degree is awarded. B.A. requirements are specified on pages 46-47 (40 credits must be in 3000- or 4000-level courses).
