- ▶ Have earned a bachelor's degree

## Why pursue a graduate certificate in healthcare management at Northwestern?

Our graduate Certificate in Healthcare Management is intentionally designed to be both **realistically attainable and undeniably valuable**. Receive instruction in finance, policy, ethics, and legal issues specific to healthcare. Graduate with a competitive edge and solid foundation for success in meaningful positions of leadership in the healthcare administration industry.

## Program Features

- ▶ Training in policy, management, and systems specific to the healthcare industry
- ▶ Expert faculty who are active professionals in their fields
- ▶ Fully transferable toward the completion of the Master of Business Administration (MBA) or Master of Organizational Leadership (MOL), should you decide to continue your studies.

COLLEGE OF  
**GRADUATE, ONLINE  
& ADULT LEARNING**

“Having enough exposure to healthcare to know how the healthcare system works is critical to succeeding in the field of healthcare administration. That is what Northwestern’s healthcare management certificate provides.”

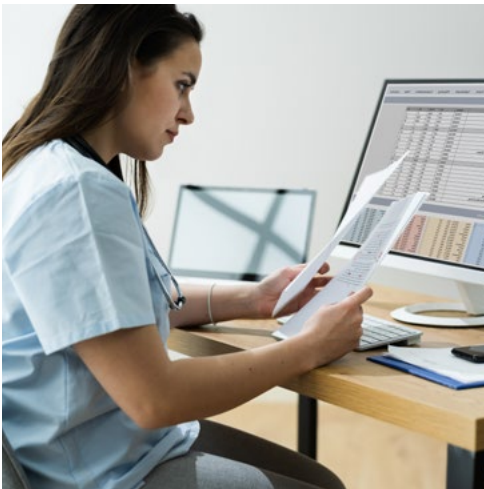

- Jessa Nelson | Faculty, Assistant Dean, School of Business
