

# Master of Arts in Education

*The Master of Arts in Education (MAED) is uniquely designed to advance the knowledge, effectiveness and skills of professionals including educators and non-educators in P–16 schools, businesses and non-profits, and administrative and technical roles. This non-licensure master's degree is appropriate for both experienced and inexperienced educators and will enhance professional practice through advanced study in teaching and learning.*

## Reasons to pursue an MAED

Pursuing an MAED provides opportunities to invest in your future by enabling you to:

- Demonstrate leadership skills in the field
- Increase content knowledge and expand your repertoire of pedagogical skills
- Meet continuing education and other professional development requirements
- Improve critical thinking skills and continue as a life-long learner

## Specialty Areas

Students in this continuous-cohort program choose one of two specialty areas for their MAED program:

- Curriculum and Instruction
- Learning and Leading in the Field

If you select Learning and Leading in the Field, you may further focus your study on:

- Culturally Responsive Teaching
- Educational Technology
- Early Learning
