STUDENT'S STATEMENT:

I have read and understand the aid policy for students studying off campus, and I agree to the following conditions:

1. At the end of the semester, I will provide UNW with an official grade transcript from the off-campus program.
2. If I do not complete the semester, but received financial aid for the semester, I understand that UNW may need to return financial aid back to the federal and state government. This could result in me needing to pay UNW for the aid that is cancelled.
3. I understand that financial aid funds will be applied to my UNW account once I've completed all of my off-campus paperwork and no earlier than 10 days prior to the beginning of the semester at UNW.
4. I have met with my academic advisor, and in conjunction with the Registrar, have determined how credits earned off campus will be applied to my academic program.
5. I authorize the financial aid office at UNW to release all relevant financial aid and student account information to the off-campus program, and to the parent whose information is reported on the FAFSA.
6. I understand that I must take care of all registration and student account holds, before any financial aid can be applied to my student account for off-campus program expenses.
7. I understand that if I am eligible for the MN State Grant and/or the Pell Grant and/or federal loans my eligibility for these grant/loan programs for the semester of off-campus study will be based on the number of off-campus study credits that will count toward my degree completion at UNW.
