

CAMPUS LIFE | ADMISSION TO THE TRADITIONAL UNDERGRADUATE PROGRAM**STUDENT MEDIA PRODUCTION**

The Remnant (theremnant.fm and 98.5HD4) is an award-winning, student-operated radio station serving the student body. As a part of the program in Media Production, The Remnant provides practical experience in the operation of a radio station and is the source for the best alternative Christian music for resident students (or streaming online).

The Eagle 7 Television Production Studio also provides experience in television broadcasting for Northwestern students. Weekly television news programs are produced, directed, and reported by students and aired campus-wide. In addition, students are often involved in televising athletic and other special events on campus.

Northwestern Productions offers students hands-on experience writing, directing, producing, and editing different types of film and video productions. Students work in a variety of roles on film, commercial, and other video productions. In addition, students host the campus-wide Five16 Film Festival—one of Northwestern's signature events.

Participation in student media production is open to all students, regardless of academic program.

STUDENT PUBLICATIONS

Northwestern's student-led newspaper, the *UNW Examiner*, provides valuable hands-on experience in writing, editing, and layout. Staff members learn to analyze issues, shape content for an audience, and meet deadlines. The newspaper is available in print and online. Staff positions are open to students regardless of major.

Students may serve as editors of Northwestern's literary magazine, *Inkstone*, which is published biannually. Students also have the opportunity to submit fiction, non-fiction, poetry, and photography for potential publication in *Inkstone*.

THEATRE ARTS

Students interested in theatre have the opportunity to participate in acting, dance, scenic design, stage lighting, costuming, and other theatre arts. Auditions are open to all students regardless of major. The University of Northwestern theatre season features shows in Knight Performance Hall and in the Patsy Miller Studio, including musicals, classic plays, new scripts, children's shows, a student-directed one-act play festival, and more.

For further information, call the Theatre Office at 651-286-7536 or 888-878-5514 or visit unwsp.edu/theatre.

- The student has earned a previous bachelor's degree.
- The student is (1) a transfer student and (2) has completed 60+ collegiate credits that are transferable into a traditional undergraduate degree at Northwestern.

Transitional Admission

A limited number of students with below-standard academic credentials may be transitionally admitted, pending an additional review process. Unless low entrance examination scores are clearly offset by academic success in the classroom, students with ACT composite scores of 17 or below (or SAT total score of 950 or below [Evidence-Based Reading and Writing + Math]), if admitted, must be enrolled in certain required classes and will be connected with Academic Achievement staff. Transitional admittance will be applied to transfer students on a case-by-case basis.

Transitionally admitted student requirements will include:

- First-semester enrollment in **Study Strategies course (STS0009)**, which must be successfully completed or repeated in the next semester
- Registration for no more than 15 credits per semester
- Participation in no more than one co-curricular activity per semester
- An assigned co-advisor through Academic Achievement

Other developmental courses may be required of students whose ACT scores in specific categories do not meet the minimum requirements:

- **MAT0008** if ACT Mathematics score is 17 or below (SAT Math score of 470 or below)
- **RDG0009** if ACT Reading score is 17 or below (SAT EBRW score of 480 or below or CLT Verbal Reasoning score of 18 or below)

Admission of Non-Degree Seeking Students

The Non-Degree Seeking Student classification at University of Northwestern is designed for persons who desire to enroll for selected courses but do not intend to complete a certificate or degree program. The Office of Admissions will provide an abbreviated form of the application to students applying for this status.

Admission as a Non-Degree Seeking Student does not imply eligibility to complete a certificate or degree program, does not imply eligibility for financial aid, and does not grant eligibility to participate in intercollegiate athletics.

Admission of International Students

The university is authorized under federal law to enroll nonimmigrant students. In addition to the regular admission criteria outlined on pages 14–15, additional admission procedures are necessary for students who are not citizens of the United States. Evidence of sufficient financial resources must be presented prior to admission and before student visa arrangements can be made. International students are encouraged to have all processes completed by April 1 for fall semester enrollment.

For those whose native language is not English (e.g., International Student, Refugee, Political Asylee, Permanent Resident, or Non-

resident Alien), English language proficiency must be demonstrated by taking one of the following exams:

- A minimum score of 530 on the paper-based Test of English as a Foreign Language (TOEFL), 197 on the computer-based TOEFL, or 71 on the Internet-based TOEFL.
- A minimum score of six on the International English Language Testing System (IELTS).
- A minimum score of 50 on the Pearson Test of English Academic (PTE).

The TOEFL/IELTS/PTE requirement may be waived for the following reasons:

- Student is from a recognized English-speaking country (see Admissions for a list of identified countries).
- Student has successfully completed an English writing course with a grade of C- or better and has earned a minimum of 12 credits from an accredited U.S. college/university.

In the absence of any ACT/SAT score or writing placement examination results, all students for whom English is not the first language are required to start their English composition sequence with ENG0009.

Visiting Campus

A campus visit—whether a personal appointment or a special admissions event—is the best way for you to confirm that Northwestern is a good fit for you. We invite you to visit as often as you like.

Prospective students are encouraged to schedule a campus visit for an interview with an admission counselor, a campus tour, and the daily chapel service. The visit can include appointments with a financial aid counselor, professors, coaches, or directors.

Credit by Examination (AP/CLEP/DSST/IB)

Credit for selected courses may be secured by students who demonstrate competency by means of scores on standardized examinations such as Advanced Placement (AP), International Baccalaureate (IB), College Level Examination Program (CLEP), and DSST, or by locally constructed examinations (see also page 45). A student may receive a maximum of 32 credits by these means. Specific information, including courses and requirements, may be secured from the Registrar.

Credits may not be earned through CLEP or DSST examinations whose content duplicates credit previously earned.

Further information may be obtained by going to unwsp.edu/registrar and selecting the Credit by Examination link.

Credits – Other

The American Council on Education's (ACE) College Credit Recommendation Service and the National College Credit Recommendation Service (NCCRS) evaluate civilian and military training and education programs and examinations offered outside the traditional classroom setting and translate them into college credit equivalencies. University of Northwestern considers the credit recommendations from ACE and NCCRS for possible awarding of credit.

Readmission

Students wishing to be readmitted after an absence of one semester or more must complete the re-enrollment form. This form can be accessed at unwsp.edu/registrar.

A student who has been academically suspended may petition for readmission to the university two semesters after termination using the Re-enrollment form. Summer sessions are not counted in the required two semesters. Evidence must be supplied to support the request. The best evidence is university-level academic courses with above-average grades.
