

CHRISTIAN MINISTRIES

Department of **CHRISTIAN MINISTRIES**

Mission Statement

Ministry has always been vital to the purpose and mission of University of Northwestern. The Department of Christian Ministries prepares students to serve in a variety of positions in North America or overseas and/or for seminary and other graduate education. Our strength is in the diversity of our faculty and the varied and extensive ministry experiences they bring into the classroom.

The mission of the department is to prepare leaders to carry out Christian ministry from a biblical worldview to a multicultural world. To this end the department seeks to help individuals to (1) understand God and self, (2) understand people in community, and (3) understand, design, and implement Christian ministry.

The department offers the following five majors: Intercultural Studies, Ministry, Nonprofit Leadership, Pastoral Ministry, and Youth and Emerging Adult Studies. We also offer a variety of concentrations, including Children and Family Ministry, Cross-cultural Ministry, English Language Teaching, Global Education, Nonprofit Leadership, Social Justice, Worship and Creative Arts, and Youth and Emerging Adult Ministry.

Accelerated (Dual Degree) Graduate Programs

Undergraduate students in our department may apply to add a graduate degree with as little as one additional year of study.

Accelerated MAML

The department offers accelerated pathways from all five undergraduate majors into the Master of Arts in Ministry Leadership (MAML). In this accelerated program, students complete 12–16 credits of graduate coursework within their undergraduate major. After graduating with their B.S./B.A. degree, students then complete the remaining 20–24 credits through online or blended coursework to finish the M.A. degree. Through this accelerated program, students save time and money in their pursuit of a graduate degree. When completing the MAML, students are encouraged to pursue a concentration in a variety of fields, including biblical and theological studies, leadership, or practical ministry. Accelerated graduate program requirements are listed following each major description.

Accelerated M.Div.

The department also offers a dual degree leading to an undergraduate major in Pastoral Ministry (B.S./B.A.) and a Master of Divinity (M.Div.) degree, a standard graduate degree for those pursuing pastoral ministry. This streamlined program saves time and money for pastoral students, reducing the typical 7 years of coursework to as little as 5 years. Qualified undergraduate students who are accepted into this program during their sophomore year complete up to 50% of the M.Div. degree within their undergraduate program. The remaining graduate degree courses are completed after graduating with the bachelor's degree. When completing the Master of Divinity, students are encouraged to pursue a concentration in Theological Studies, Organizational Leadership, Human Services, Educational Studies, or Clinical Pastoral Education. The accelerated M.Div. program requirements are listed following the Pastoral Ministries major description.

Policies

Students wishing to enroll in the accelerated M.A. in Ministry Leadership or Master of Divinity program must first be admitted to UNW and then apply for the accelerated program through the Christian Ministries Department during or after their sophomore year. Graduate-level courses taken within the undergraduate program must be completed with a grade of C or better in order to fulfill graduate degree requirements. Upon completion of the undergraduate degree, students apply to Graduate Studies and then complete the remainder of their graduate degree. Requirements for the MAML and M.Div. are listed in the graduate school catalog.
