ADMISSION TO THE TRADITIONAL UNDERGRADUATE PROGRAM**Admission of Non-Degree Seeking Students**

The Non-Degree Seeking Student classification at University of Northwestern is designed for persons who desire to enroll for selected courses but do not intend to complete a certificate or degree program. The Office of Admissions will provide an abbreviated form of the application to students applying for this status.

Admission as a Non-Degree Seeking Student does not imply eligibility to complete a certificate or degree program, does not imply eligibility for financial aid, and does not grant eligibility to participate in intercollegiate athletics.

The university is authorized under federal law to enroll nonimmigrant students. In addition to the regular admission criteria outlined on pages 12–14, additional admission procedures are necessary for students who are not citizens of the United States. International students are encouraged to have all processes completed by April 1 for fall semester enrollment.

Credit by Examination (AP/CLEP/DSST/IB)

Credit for selected courses may be secured by students who demonstrate competency by means of scores on standardized examinations such as Advanced Placement (AP), International Baccalaureate (IB), College Level Examination Program (CLEP), and DSST, or by locally constructed examinations (see also page 46). A student may receive a maximum of 32 credits by these means. Specific information, including courses and requirements, may be secured from the Registrar.

Credits may not be earned through CLEP or DSST examinations whose content duplicates credit previously earned.

Further information is available at:
unwsp.edu/academics/registrar/credit-by-examination/

Credits – Other

The American Council on Education’s (ACE) College Credit Recommendation Service and the National College Credit Recommendation Service (NCCRS) evaluate civilian and military training and education programs and examinations offered outside the traditional classroom setting and translate them into college credit equivalencies. University of Northwestern considers the credit recommendations from ACE and NCCRS for possible awarding of credit.

Readmission

Students wishing to be readmitted after an absence of one semester or more must complete the re-enrollment form. This form can be accessed at unwsp.edu/registrar.

A student who has been academically suspended may petition for readmission to the university two semesters after termination using the Re-enrollment form. Summer sessions are not counted in the required two semesters. Evidence must be supplied to support the request. The best evidence is university-level academic courses with above-average grades.
