

School of Business

Mission Statement

The School of Business is committed to graduating Christian students in career-ready programs and majors, who have acquired exceptional professional and technical skills and a solid biblical worldview. Our goal is for alumni to excel in their careers, becoming leaders and advancing Christ's Kingdom in the marketplace.

The School of Business is dedicated to providing a fully integrated business curriculum for our alumni to function exceptionally within their business field and prepare for graduate programs. Northwestern offers courses in all facets of business, integrating moral and ethical considerations with practical, market-relevant application. This comprehensive education, taught from a Christian perspective, allows our alumni to fulfill the scriptural demand to steward the resources and talents which the Lord has entrusted to them.

The School of Business offers the following degree programs: Bachelor of Arts or Bachelor of Science in Accounting, Business Administration, Finance, and Marketing.

Bachelor/Accelerated Graduate Business Degree Program

Undergraduate students in the School of Business may apply to take graduate-level courses to accelerate the completion of a graduate degree, saving time and money. Students approved to take these courses will register for the 5000-level version of the courses, up to 14 credits, ensuring the courses are credited toward both the undergraduate and graduate degree if enrolled in the graduate program within the designated time frame.

Eligibility: After achieving at least 45 undergraduate credits, students may apply to the accelerated program by sending a letter of interest to the Assistant Dean of the School of Business, accompanied by a resume and writing sample. The Assistant Dean will evaluate the student's letter of interest, resume, and writing sample, as well as the student's GPA and performance in all business-related coursework. To be eligible, students must have a cumulative GPA of 3.0 or above and have received a C or above in all business-related courses.

Important Note: All graduate-level courses taken as an undergraduate student must be completed with a grade of "C" or better to satisfy graduate degree requirements. Admittance to the accelerated program does not guarantee admittance to UNW's graduate program. See College of Graduate, Online, & Adult Learning catalog for graduate program admission requirements and process.

BUSINESS

Accounting Major

Bachelor of Art or Bachelor of Science

The Accounting major is designed to prepare students for careers as corporate accountants, financial officers, internal auditors, governmental accountants, non-profit accountants, fraud examiners, or financial analysts.
