## **FOOD PLAN INFORMATION<sup>+</sup>**

**Dining Funds** – these are the funds students use to purchase food in any of the dining locations on campus. Students receive a 20% discount at the cash register and are not subject to sales tax when paying with dining funds. Any student with a food plan can add dining funds at any time during the semester for an additional cost. Food plan charges are not applied to summer terms.

**Dining Fee** – this fee covers utility costs, facility maintenance costs, equipment purchases and repairs, and administrative costs for our dining program. The dining fee does not apply to summer term.

### **Exceptions to Food Plan Requirements**

- If a commuter student has class on campus fewer than 2 days/week, they may apply for an exemption.
- Students with medical dietary restrictions should submit a Medical Dietary Accommodation Form to begin the process of determining the appropriate course for accommodation or exemption.

**A Residential Student** is any student living in University of Northwestern residence halls.

**A Commuter Student** is any student living off-campus seeking a Traditional Undergraduate degree and taking 12 or more credits, including both traditional undergraduate and dual enrollment credits. Commuter Students seeking a traditional undergraduate degree who are taking fewer than 12 credits are not required to have a food plan, but may choose to have a plan. PSEO students who are commuting are not required to have a food plan, but may choose a PSEO food plan.

**First Year Students** for Fall Semester will continue to be classified as First Year Students for Spring Semester. Students who begin as first year students in the Spring Semester will be considered First Year Students for Spring Semester only. Transfer students are not considered a First Year Student.
